Dear CSC friends,

We appreciate you joining us on this new journey of providing the students the opportunity to serve. We are learning every day what is beneficial to you, our valued customers, and to our exceptional team and students.

Please continue to follow our story and dine with us, here at the Cafe and at our Downtown Location (1 S. Nevada Ave). With every delicious meal, you are providing a hand up to the next generation of workforce.

Thank you for your support.
